Dear Friends,

I'm sorry to say that since my son Elior had a surgery earlier in the week, I wasn't in the office much this week, and so have not had much time to compile a newsletter. I do however, want to let you know that today we are starting our Purim festivities at Or Hadash, and I also want to take the time to wish you all a happy and healthy Purim. I hope to send you pictures from our celebrations along with a report of the events in the beginning of next week.

In the meantime, below you will find a picture of some of our recent activities here in Haifa: A Tu B'Shvat seder for Ethiopian Immigrants, organized by the Or Hadash Sisterhood; Students studying abroad at Haifa University, spending time with me and my daughter, Yael, touring Haifa; and Children activities for Russian immigrants with the Or Hadash sisterhood, in Hadar, Haifa.

Chag Sameach and Shabbat Shalom,  
Edgar
